AIDS auction

Filed under: [photographs \(mine\)](#), [psa](#) — alecsothblog @ 6:01 pm

Angola, Louisiana (from the grounds of Angola State Prison), 2002 by Alec Soth

This Friday, December 1st, is Worlds AIDS Day. [401 Projects](#) & DKNY Jeans is hosting a silent auction of photographs (including the one above) curated by Elisabeth Biondi, photo editor of The New Yorker. For more information, click [here](#) and [here](#).

1. Hey...

I am the lucky one who bought your photo!

I have admired your work for a couple of years and was psyched to see it there. I am really in love with it... I am also a big fan of Niagra..way to go
