1. I'll miss your posts, Alec, but there are more important things in life than blogging — I mean, photography is pretty swell, right?

Haha. Come back soon.

2. Well I guess I can't say I haven't seen the studio anymore, huh AI? It looks like a great place to call work! I just wanted to put my two cents in.

can I say love in here?

love your big bro

3. What is this "artistic bacon" you speak of?

Is it smoked?

I'd like to see it sometime.
